Directions for Children 1 year and above:

Take one (1) packet daily to support immune and digestive health. Mix entire contents of one (1) packet into cool food or drink. Do not add to hot food or beverage.

To alleviate occasional digestive distress, take two (2) packets per day. If taking two packets, take one in the morning and one in the evening. If conditions persist, consult your physician. Culturelle® can be taken with or without food at any time of the day. For children over 3 years: Try Culturelle® Kids Probiotic Chewables as directed on the package.

For Children under 1: Try Culturelle® Baby Calm & Comfort or Grow & Thrive drops.

KEEP OUT OF REACH OF CHILDREN. Not intended for children under 1 year of age. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition.
