

Turmeric Herbal Supplement

Kyolic® Curcumin is a synergistic combination of **Meriva® Turmeric Complex** and odorless, **Aged Garlic Extract™** from organically* grown garlic, to provide nutritional support for healthy inflammation response.*

Curcumin is the key antioxidant in the herb turmeric, long used for its phenolic antioxidant benefits. **Meriva Turmeric Complex** is a proprietary and patented blend of curcumin and phosphatidylcholine for superior absorption and bioavailability compared to standardized curcumin extracts. **Kyolic Aged Garlic Extract** contains antioxidants produced by a special extraction process to maximize beneficial compounds, and is supported by over 750 scientific papers.

Take **Kyolic Curcumin** each day to provide powerful and natural support for joint function, colon and liver health, cardiovascular benefit, as well as a variety of other nutritional benefits.*

(† in compliance with the California Certified Organic Farmers).
