

MagSRT™ B-Free by Jigsaw Health releases Albion's premier patented dimagnesium malate gently into your body over an extended period of time. This highly absorbable magnesium in a sustained release form results in a product that provides all the whole health benefits of magnesium without the common digestive discomfort associated with nearly all other magnesium supplements.*

**This formula is based off the top-rated, best-selling, clinically tested MagSRT™ formula, but does not include any active B vitamins. MagSRT™ was clinically tested in a placebo-controlled, human clinical trial.
