

SUGGESTED USAGE: Add 1 level scoop daily to 12-14 oz. of cold water, milk, or your favorite beverage. Stir or blend.

NOW® Sports Grass-Fed Whey Protein is concentrated from pure milk collected exclusively from grass-fed cows that are pasture-raised without any synthetic growth hormones (rBGH), antibiotics, or pesticides. Grass-Fed Whey Protein is processed by low temperature ultrafiltration to limit denaturation of the proteins, and is both bioavailable and easily digested. Whey protein also has naturally occurring branched-chain amino acids (BCAAs). These qualities make NOW® Sports Grass-Fed Whey Protein ideal for active individuals seeking the most natural and wholesome milk protein for themselves and their families.

Whey protein is considered to have the highest biological value (BV) of any protein source – superior in essential amino acid content to beef, milk, casein or soy.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Contains Xylitol, which is harmful to pets.

Natural color variation may occur in this product.

This product is sold by weight not volume.
