

Suggested Use:

Take 1 capsule 1-3 times a day on an empty stomach. Then 1 capsule per day as maintenance.

If you have any discomfort or allergic reactions (the result of the die-off of bad bacteria in your intestinal tract), cut back to 1 capsule (or 1/2 or 1/4) a day as necessary. Then slowly increase.

NOTICE: Consult your physician if you are pregnant, nursing, taking medication or have a medical condition. This is a dietary supplement intended solely for nutritional support. Do not use if safety seal is broken or missing. Keep out of reach of children.
