Arjuna powder

Supports proper function of the heart*

Strengthens and tones the circulatory system*

Supports healthy blood pressure already within the normal range*

Maintains healthy cholesterol levels already within the normal range*

In Ayurvedic medicine Arjuna (*Terminalia arjuna*) is the foremost rejuvenative for the heart. It strengthens and tones the circulatory system and promotes proper function of the heart muscles. Arjuna's strengthening and toning actions help maintain healthy blood pressure already within the normal range. It is also used to help maintain healthy cholesterol levels and to support healthy coagulation. Arjuna is traditionally used to promote emotional balance for those experiencing grief and sadness. It is said to mend a "broken heart" and to impart courage and strengthen the will.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
