4.5 grams of BCAAs per serving to ensure proper muscle repair after exercise. The three branched chain amino acids leucine, isoleucine and valine allow for increased protein synthesis in the body. This allows for maximum muscle recovery, which leads to more muscle growth!

RECOVER SMARTER WITH PREMIUM PLANT-BASED

Serious athletes require serious nutrition, and basic protein shakes weren't cutting it so we decided to create something better. Derived from the best whole food, plant-based ingredients on the planet, the RECOVERY shake is a true game-changer for refueling after your workout. Responsibly sourced ingredients in their most potent form ensures you get the most out of your post-workout training window to maximize your gains and accelerate recovery.

REPLENISH, REBUILD, RECOVER

Derived from real, whole foods the RECOVERY shake is a science-based formula unlike any other. A combination of essential amino acids and complete plant proteins to repair and build lean muscle, plus replenishing vital nutrients, electrolytes & antioxidants to avoid injury and reduce soreness, so you can bounce back quicker to do it again!
