Avipattikar powder

Promotes post-meal esophageal comfort*

Promotes normal, comfortable levels of acidity in the stomach and intestines*

Removes excess heat from the GI tract*

Supports healthy elimination for individuals with pitta imbalances*

Avipattikar is a traditional Ayurvedic formula used to remove excess pitta from the GI tract. This cooling blend balances the digestive fire and eliminates natural toxins from the system. Avipattikar soothes the stomach tissues and promotes normal, comfortable levels of acidity during the digestive process. It also helps direct apana vata downwards helping to promote post-meal esophageal comfort and healthy elimination.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
