

Suggested Use:

1-2 capsules 5-10 minutes before eating.

Must be taken with food.

Start slowly and build to desired dosage.

Remove from capsules and mix with 1/2 cup water if necessary.

Must be taken with food. Not recommended if trying to conceive. Talk to your doctor before using if you are taking medications for blood sugar, cholesterol or heart disease.

NOTICE: Consult your physician if you are pregnant, nursing, taking medication or have a medical condition. This is a dietary supplement intended solely for nutritional support. Do not use if safety seal is broken or missing. Keep out of reach of children.
