Boswellia powder

Promotes comfortable movement of the joints*

Removes natural toxins and excess heat from the joint tissue*

Supports healthy blood circulation while soothing and cooling the joints*

Promotes the flow of energy within the body channels and tissues*

Boswellia (*Boswellia serrata*), also known as Indian frankincense, has a long history of use in religious ceremonies. As a medicinal herb, the gum resin is used to detoxify joint tissue and support comfortable movement. It is said to be heating due to its support of healthy circulation and cooling because of its soothing action on the tissues. Boswellia is also traditionally used to open the mind and to clear the subtle channels of the body.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
