Calms and soothes the nerves and muscles\*

Fennel (*Foeniculum vulgare*) is an excellent herb for supporting a healthy, comfortable digestive experience. It is especially useful for strengthening the digestive fire without aggravating pitta. The roasted seeds are commonly served post meal in Indian restaurants to support digestion and to freshen the breath. Fennel combines well with cumin and coriander and makes a great digestive tea. It also soothes the urinary tract and promotes healthy urination. Fennel supports healthy lactation in nursing mothers.\*

**Suggested Use:** ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

If you are pregnant, nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
