Hibiscus (*Hibiscus sabdariffa*) is a beautiful, sacred flower commonly used in devotional ceremonies and to make cooling summer beverages. It helps purify the body both physically and spiritually and is useful in disorders associated with the first and second chakra (Yoga of Herbs). Hibiscus promotes the healthy growth of hair and a clear complexion. It also supports the proper function of the kidneys and the female reproductive system.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

If you are pregnant, nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
