

Directions: Take one capsule daily or as directed by your healthcare practitioner.

Ferrochel® Iron Complete is an advanced iron formula supplying key nutrients to assist the body's production of hemoglobin and healthy red blood cells.* It features Ferrochel®, Albion's patented iron bis-glycinate chelate. Ferrochel® is a well-tolerated, non-constipating iron that is much more highly absorbable than other forms of iron commonly used in dietary supplements.* The 5-MTHF in this formula – Quatrefolic® – is the most biologically active form of folate, allowing rapid uptake into the bloodstream.* The 5-MTHF in this formula is also known as the "L" form of 5-MTHF since it is the reduced form of folate.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children less than 6 years of age. Keep this product out of reach of children. If an accidental overdose does occur, seek immediate medical attention or call a poison control center.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.
