

21ST CENTURY®

Vitamin C is an important antioxidant nutrient that helps neutralize free radicals and supports the immune system.* Prolonged release vitamins slowly release nutrients into the body over an extended period of time.

Directions: As a vitamin supplement, adults take one (1) tablet daily with any meal or as directed by a healthcare provider. Do not exceed recommended dosage. Individual results may vary.

Warning: Consult a healthcare provider prior to use if pregnant, nursing, on medications, have a medical condition or are planning a medical procedure. Stop use and contact a physician if adverse reactions occur.

Keep out of reach of children. Do not use if product appears to be tampered with or seal is broken. Store at room temperature.

No added Sugar, Yeast, Preservatives or Artificial Flavors.
