Green Coffee Bean - Made from coffee beans that are not roasted, this unique extract provides 45% chlorogenic acids. Green coffee is a major source of chlorogenic acids in nature and contains antioxidant properties.

Green Tea - Green Tea is less processed as compared to Black Tea, which allows it to retain more active polyphenols. Our Green Tea is standardized for 15% polyphenols.

Raspberry Ketones - Our formula provides a highly concentrated source of raspberry ketones.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18. Keep out of reach of children. Store at room temperature. Do not use if seal under cap is broken or missing.
