Other Ingredients: Protein Blend (Whey Protein Concentrate, Soy Protein Isolate, Micellar Casein, Milk Protein Concentrate), Inulin, Oligofructose, Oat Fiber, Natural and Artificial Flavors, Soy Lecithin, Xanthan Gum, Red Beet Juice Powder (Color). Contains milk, wheat and soy ingredients.

Lean Muscle Support: If you're trying to exercise more and eat right in order to shape-up and get lean, then protein should be a key component of your plan. Each serving provides an excellent source of protein from high quality sources, featuring Whey protein. This specialized protein blend provides all of the essential amino acids your body needs to support lean muscle and recovery after your workouts.*

Body Composition & Toning Support: Each daily serving provides the body-shaping benefits of Tonalin® CLA.* Tonalin® contains a precise ratio of active ingredients that helps to make all your hard work in the gym pay off.* This popular dieting ingredient has been used for years by fitness enthusiasts looking to support their body composition.*

Excellent Source of Fiber: Whey Protein Lean is loaded with nutritious fiber needed to support digestive health and an active lifestyle.* Modern diets often contain processed foods which remove fiber and other beneficial nutrients, and many Americans may not be getting the recommended amounts of fiber on a daily basis. Each serving contains 10 grams of fiber, including prebiotic fiber, to help ensure you receive the benefits of this important nutrient.

Balanced Nutrition In Between Meals: Don't give in to temptation! Instead of reaching for a candy bar or sugar-laden snack, satisfy your sweet tooth with this delicious formula. Each serving provides a balanced ratio of protein, carbs, fat and fiber to help you make it to your next meal without wrecking your nutrition plan.
