Vidari Kanda powder

Supports proper function of the male and female reproductive systems*

Nourishing tonic that promotes healthy muscle and nerve tissue*

Strengthening and rejuvenating for seniors and those with vata constitutions*

Supports healthy lactation*

Vidari kanda (*Ipomoea digitata*) is a nutritive tonic that is rejuvenating for both body and mind. As is the case with many nourishing herbs, it has a special affinity for supporting the reproductive system. In men, it supports healthy production of semen. In women, it supports healthy menstruation and healthy lactation. In both sexes, it is a strengthening aphrodisiac that supports fertility and vitality. Vidari kanda is also traditionally used to pacify excess vata.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

If you are pregnant, nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
