Dietary Supplement
1lb • 454g

Kalmegh powder

Bolsters the immune system and supports the body's natural defenses*

Reduces excess pitta and kapha in the head and chest, and helps maintain a normal body temperature*

Supports a healthy respiratory tract, sinuses, throat and health and well-being*

Promotes the production of bile and a healthy liver*

Kalmegh (*Andrographis paniculata*) is an extremely bitter tasting herb that is renowned for supporting a healthy immune system. It promotes a healthy respiratory tract, sinuses, and throat while helping maintain a normal body temperature. Kalmegh reduces excess pitta and kapha in the lungs and bolsters all-around health and well-being. It also promotes the healthy flow of bile and supports proper function of liver.*

Suggested Use: ¼ to ½ teaspoon with warm water, once or twice daily, or as directed by your health practitioner.

If you are pregnant, nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
