

Herb Specialists Since 1972

St. John's Wort helps support the body's response to occasional stress, emotional balance, and feeling of well-being.*

Recommendation: Take one tablet in the morning and one in the evening with water for all-day, all-night support.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

WARNING: Do not use St. John's Wort while taking any prescription drugs without the advice of your prescribing physician. Do not use with prescription antidepressants, contraceptives, immunosuppressants, anticoagulants, Digoxin, blood thinners, or medications for HIV, epilepsy, or cancer. Avoid excessive exposure to UV radiation (e.g. sunlight, tanning). Not recommended for use by pregnant or lactating women. Keep out of the reach of children.

This bottle was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials that are subject to color variation.
