

Suggested Usage: Take 1 to 2 capsules daily as needed on an empty stomach or between meals, with at least 8 oz. of water. Not for continuous use for more than one week.

Caution: Not for long-term daily use. Take at least 2 hours before or after medications or other dietary supplements. Activated charcoal can affect their absorption. For adults only. May cause dark stool, which is not harmful. Consult physician if pregnant/nursing, taking medication, or have a medical condition (especially intestinal blockage). Keep out of reach of children.

Activated charcoal powder is made from coconut shells and has been traditionally used to support healthy digestive function.* Its porous texture gives it the ability to attract and trap toxins that are typically present in the GI tract and carry them out of the body.* Activated charcoal can also help to alleviate uncomfortable gas and bloating caused by gas-producing foods.*
