## Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 15

Amount Per Serving	%Daily Value
Acetyl L-Carnitine HCl Free Form	800 mg **
Alpha Lipoic Acid	400 mg **

\*\*Daily Value not established.

**Other Ingredients:** Gelatin, Vegetable Magnesium Stearate. **Contains <2% of:** Silica, Vegetable Cellulose.

As we age, our cells are less able to counteract the cell-damaging effects of free radicals and oxidative stress. Free radicals can contribute to oxidative stress, which in turn may contribute to the premature aging of cells. Alpha Lipoic Acid and Acetyl L-Carnitine form an excellent combination for promoting metabolic functioning to fight against free radicals and oxidative stress.\* As a supplement, Acetyl L-Carnitine and Alpha Lipoic Acid can be used as part of a healthy aging program.\*
