Ginkoba™

Brain Formula

What is Ginkoba™?

Ginkoba is a natural supplement formulated to support normal, healthy brain function. Ginkoba works gradually and is most effective when taken daily as part of an ongoing health regimen that includes a healthy diet, adequate sleep and exercise.

What Makes Ginkoba™ Special?

Ginkoba uses a concentrated guaranteed potency extract which contains 24% Flavone Glycosides and 6% Terpene Lactones to provide a consistent level of active ingredients in every tablet. This is the level of standardization used in many clinical studies on Ginkgo Biloba.
