

Happy Digestion and Healthy Immune System

Formulated with 4 widely studied probiotic strains for infants, including Lactobacillus rhamnosus GG, **LIFE NUTRITION Baby Probiotics** helps to build a strong foundation for your baby with friendly bacteria to support a healthy digestive system and overall health.*

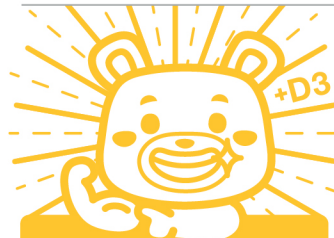

Promotes Immune Support*

Help keep your baby's healthy with the No.1 most studied probiotic strain, Lactobacillus rhamnosus GG, which supports your baby's natural immune system*

Digestive Health*

Balancing little bellies is essential for happy digestion. Each packet delivers 4 billion CFU active cultures from a blend of four widely researched strains.

The American Academy of Pediatrics(AAP) recommends that infants who are breast-fed or partially breast-fed should be supplemented with 400IU of Vitamin D daily. Each packet of LIFE NUTRITION Baby Probiotics supplies 400IU of Vitamin D3, which is essential for infants' healthy bone & teeth growth*

With Lactobacillus rhamnosus GG, the No.1 Most Studied Probiotic
