# Odorless Garlic Tablets

## 500 MG

Dietary Supplement

### 30 TABLETS

Thanks to a unique flash-cooked process, Family Choice Odorless Garlic retains the many natural components of garlic, including the allicin-producing ingredients thought to be responsible for important nutritional benefits. The result is a high potency form of garlic with only a slight hint of garlic scent. These tablets cause virtually no garlic odor on breath or skin, when used as directed.

**SUGGESTED USE:** As a dietary supplement, take one tablet with a meal, two times a day, preferably with a meal or as directed by your physician. Tablets should be swallowed without chewing. Each tablet has been standardized and contains 150 mg concentrated garlic, equivalent to 500 mg of garlic bulb.

**OTHER INGREDIENTS:** Dibasic Calcium Phosphate, Cellulose, Croscarmellose Sodium, Silicon Dioxide, Magnesium Stearate, Natural flavor, Microcrystalline Cellulose and Starch.

**KEEP OUT OF THE REACH OF CHILDREN. STORE IN A COOL, DRY PLACE. AVOID EXCESSIVE HEAT.**

**SODIUM FREE:** Each tablet contains less than 5 mg of sodium.
