Açai Berry - *Euterpe Oleracea*  
From The Amazon Rainforest

CAOH®

Net Weight 4 oz - 113 g

**Absolute Açai Powder™** is pure, certified organic, freeze dried açai berries. Açai berries are considered one of the most nutritionally dense fruits of the Amazon Rainforest and possess the highest ORAC value of all known edible berries. Absolute Açai Powder™ is a natural source of essential fatty acids, minerals, phytosterols, and potent antioxidant polyphenols and anthocyanins.

Only sustainable and ethical harvesting practices are used by our açai growers. CAOH® supports eco-education and ethical business opportunities involving the natural resources of the Amazon.

**Suggested Serving:** About 1 table spoon (~3 grams). Can be sprinkled on food or mixed in your favorite beverage.

**Usage Tips:** Absolute Açai Powder™ is great blended into a protein shake or fruit smoothie. It also mixes into yogurt well. To more easily mix it into juice, soften it a bit first by putting the powder in a glass with a few tablespoons of warm (not hot) water and mixing. Then add your juice to the glass and mix. Note: This is freeze dried fruit/berry powder - it is not water soluble! It's like adding fruit pulp to juice.

**Warning:** Please discard the inedible freshness packet.
