

Complete Omega-3 Formulation for your Baby's Development

Sourced from the pure waters of Alaska's Bering Sea, **LIFE NUTRITION Baby DHA+D₃ Complete** is a traceable high-quality Alaskan Cod Oil that delivers a complete combination of Omega-3 essential fatty acids and naturally occurring, rich sources of Vitamins A and D. This product helps to promote healthy brain, vision, immunity, bones and joints for your baby.*

Build a strong foundation

Delicious, nutrient-rich Omega-3 formula to support healthy brain, vision and bones*

Omega Balance

Provides balanced amount of Omega-3 (DHA, EPA & DPA), together with 100% natural Vitamins A and D that your baby truly needs

MSC certification

Partner with American fishermen from Dutch Harbor, Alaska, who have been bestowed the Marine Stewardship Council (MSC) certification for a sustainable and traceable fishery

Line-caught

The fish are individually caught using a "long line" which keeps the fish alive, and also helps to protect and sustain marine ecology by reducing bycatch

Flash-frozen

The fish are brought on board one at a time and immediately placed inside a flash freezer at -35°C within one hour of catch

Cold-pressed

The fish are cold-pressed to lock-in freshness and naturally occurring levels of nutrients

This product comes from a fishery that has been independently certified to the MSC's standard for a well-managed and sustainable fishery. www.msc.org
