† Percent Daily Values have not been established

Other ingredients: calcium carbonate, microcrystalline cellulose, hypromellose, croscarmellose sodium, titanium dioxide, corn starch, hydroxypropyl cellulose, polyethylene glycol, magnesium stearate, stearic acid, peppermint oil, microfine wax, polyisobutyl 60 NF, silicon dioxide.

**Recommended Use:** As a dietary supplement, recommended use is 3 tablets per day with food (or as recommended by a physician). As with many supplements, regular use is recommended to maximize good health. You may begin realizing some benefits within a very short time, however, it is important to take The Prostate Formula for at least 60-90 days to obtain optimal benefits.

### Warnings

- If you are receiving medical treatment for a prostate problem or experiencing symptoms, such as painful, frequent, or difficult urination, consult your physician.
- This product is intended solely for use as a dietary supplement. It does not eliminate the need for regular prostate examinations by a physician.
- If you are presently under treatment for any medical condition, or are taking prescription medication, consult your physician or pharmacist before taking this or any dietary supplement.
- Keep this and all dietary supplements out of the reach of children.

**Allergy Information:** This product contains milk [vitamin D3 (lactose)], fish, [fish gelatin (Type: cod, pollock, haddock, hake, cusk, redfish, sole, flounder)]. Manufactured on the same equipment that processes tree nuts, wheat, peanuts and soy.

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
