TPP Carbo-G is an enzyme blend with probiotics designed to help maintain optimum digestion of all foods with a special focus on encouraging more complete digestion of complex carbohydrates found in grains, seeds, legumes, vegetables, and other plant materials.* This formula also includes herbs to help reduce the symptoms of occasional food intolerances.* For those who are considering a gluten-free diet, Carbo-G includes both the enzymes that break down the polysaccharides which encase gluten as well as the DPP-IV protease necessary to digest gluten proteins.*

ABSOLUTELY NO FILLERS

RECOMMENDED USAGE: One (1) capsule at the beginning of every meal or snack with at least 8 oz. of liquid. Contents may be removed from capsule and taken by spoon immediately after mixing with a small amount of tepid water. Usage may be increased according to need as directed by health care practitioner.

Enzyme activity is measured in Food Chemicals Codex (FCC) units wherever possible. Store tightly sealed in a cool, dry place. Keep out of reach of children.

Tzyme™ is a trademark of Transformation Enzyme Corp. This proprietary blend of highly active, functional, pH balanced, and GI tract stable enzymes is formulated to enhance the digestive process and impart systemic benefits.*
