We are serving (1) level scoop of Alpha Amino Ultimate™ in 8-12 fl. oz. of cool water and shake well. Consume 1 level scoop during or after exercise on training days. On non-training days, consume 1 level scoop throughout the day. For best results, consume daily.

THIS PRODUCT IS ONLY INTENDED TO BE CONSUMED BY HEALTHY ADULTS, 18 YEARS OF AGE OR OLDER. Do not use this product if you are pregnant or nursing. Consult a licensed, qualified, health care professional before taking this or any dietary supplement. Discontinue use if you are prior to surgery. Immediately discontinue use and contact your health care professional if you experience any adverse reaction to this product. USE ONLY AS DIRECTED. Do not use if the safety seal is broken or missing. Store in a cool, dry place. **KEEP OUT OF REACH OF CHILDREN.** This product is sold by weight, not volume. Some settling of powder may occur during shipping and handling, which may affect density of powder. This product contains the amounts indicated when measured exactly by weight.

Note: Alpha Amino™ Ultimate does not contain aspartame. The phenylketonurics notice is intended for people with the genetic disorder, phenylketonuria.

^aWhen consumed at the recommended serving size, for at least 3 weeks, and in combination with an effective diet and exercise regimen.

²⁷These statements have not been included in the final and long introduction. The point is not intended to disparage, but, rather, to present my views.
