Concentration
and Focus**

DIETARY SUPPLEMENT

60 Tablets

Clinically Shown to Improve
Memory, Concentration
and Focus**

*A clinical study showed that adults who took FOCUSfactor® as directed for six weeks improved their memory, concentration, and focus.

Factor Nutrition Labs sponsored the study which was conducted by Cognitive Research Corporation, a leading research organization that specializes in the effects of nutritional supplements and pharmaceutical products on human cognition.

**Have You Nourished
Your Brain Today?**

Like other parts of your body, your brain needs proper nutrition to perform at its best. Staying focused and on top of your game at work, home, and school is more essential than ever. With over 5 million bottles sold, people across the country have made the decision to start actively caring for their brain health with America's #1 brain health supplement - FOCUSfactor.®
