WARNING: This dietary supplement is intended to be used by healthy adults 18+ years of age. Do not use product if you are nursing, pregnant, or are attempting to become pregnant. BEFORE USING THIS PRODUCT SEEK ADVICE OF A PHYSICIAN. Do not take this product with any prescription drugs, over-the-counter products, other dietary supplements or if you have any pre-existing medical conditions. Do not take this product if you have or are at risk for high or low blood pressure, cardiac disease, stroke, seizure disorders, diabetes, kidney/liver disease, asthma, migraine headaches, psychiatric disease, HIV or AIDS, have difficulty urinating or if you are taking a MAO inhibitor. Do not take this product with other stimulants or if you are prone to dehydration or are exposed to excessive heat. Individual responses to dietary supplements may vary, for this reason some consumers of this product may need to consume one (1) Spirotab per day while others may need to consume two (2) Spirotabs per day. Do not exceed the suggested amount (two Spirotabs) under any circumstances as this will not increase benefits. This product should be used in conjunction with a proper diet and exercise program. Before starting any weight loss program, consult with your physician. Immediately discontinue use and call your physician if you experience any adverse reactions, including, but not limited to, rapid heart beat, dizziness, severe headache, shortness of breath or chest pains.

KEEP OUT OF REACH OF CHILDREN. This product may contain ingredients banned by certain sports or professional organizations. If you are subject to testing for performance enhancing compounds or any type of drug testing do not use this product under any circumstances. User assumes all risks, liabilities, and consequences related to performance enhancing testing and use of this product.
