

Flax Oil is a rich, balanced source of essential fatty acids and lignans. These beneficial fats play important roles in human health.

This Flax Seed Oil has been specially pressed to be as close to the original oil in the seed as possible. Extreme care has been taken in bringing this product to the market in the softgel form, which hermetically seals the oil and protects it from oxidation and contamination. No preservatives, additives, bleaches or fillers are used in this oil.

Nature made it superior. CAOH® made it simply and naturally perfect.

Each serving may also provide the following naturally occurring amounts of polyunsaturated fats and monounsaturated fats:
