

Nucific Probiotic Complex is a unique blend of 15 different strains of beneficial probiotic bacteria. This potent blend is one of the strongest, most diverse probiotic products on the market. Studies have shown that a more diverse array of digestive microflora such as probiotics helps improve digestive function, reduces gas and bloating and may help with weight loss. In addition, A diversely populated digestive system is shown to improve energy levels and even fight the frailty and joint pain associated with aging.

Nucific Probiotic Complex is perfectly blended to diversify your gut microbiome. Each capsule contains 15 unique strains of probiotic bacteria for a total of 30 Billion colony forming units (CFUs) of probiotics per capsule.

Suggested Use:

Take 1 capsule daily with your first meal.

We Are Passionate About Product Safety:
