

Help your body combat the effects of an acidic environment with this proven, patented formula. Alkalete® features unique mineral hydroxides and electrolytes which are formulated to time-release for maximum effectiveness. Regular consumption of Alkalete promotes a balanced pH level, which helps your body reduce acid waste and better handle the demands of daily living.*

*As part of a balanced diet and healthy lifestyle. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease. As with any dietary supplement, consult your health care practitioner before using this product, especially if you are pregnant, nursing or under medical supervision.

Directions for use: Take 1 Alkalete capsule for every 25 pounds of body weight daily.

Do not accept if seal is broken. Store in a cool, dry place. Keep out of reach of children.
