ULTIMATE ALPHA MALE TRAINING PACK

MORE THAN A MULTI. THIS IS YOUR **ULTIMATE TRAINING PARTNER.**

sessions requires fine-tuning of your sports nutrition regimen so the body performs at peak levels. Even the most perfectly trained athletes know that effective, targeted and balanced nutrition is an absolute must for achieving maximum training benefits. Neglecting any aspect of nutrition can hold you back, both in the own and on the field of play. MP Scientists have created the breakthrough IRON PACKI^M System. The unparalleled power of over 70 premium, athletic-boosting ingredients combine to amplify physical and mental intensity, delivering a boost in performance.

This powerful combination of a daily premium multivitamin, sports nutrients and clinically-studied ingredients delivers the edge athletes want for performance, recovery and rebuilding. When you take IBON PACK™, rest assured that your body is getting

everything it needs to support your performance goals.

SUPPORTS OPTIMAL JOINT 6 BONE HEALTH

TOTAL BODY PROTECTION AND PERFORMANCE SUPPORT FOR THE ACTIVE MALE FROM THE COMPANY MILLONS TRUST. PERFORMANCE BLENDS:

NUTRIENT COMPLEX: Over 22 performance-supporting nutrients blend of over 25 vegetable and fruit concentrates that deliver results

immune system, maintaining gut bacteria while promoting healthy digestion and nutrient absorption.

ALPHA PERFORMANCE BLEND: Contains powerful performance ingredients such as D-Aspartic Acid (DAA), Beta Alanine and BCAA Nitrates. This formulation is designed to provide support for meeting your performance goals."

FISH OIL: This ultra-punfied fish oil, high in EPH/DHA, promotes overall wellness and supports heart, brain, vision and joint health. Not only are these fish oil softgels a nutritional masterpiece, they are also enteric-coated and citrus flavored so you won't experience the regurgitation (which are called "fish oil burps") that people associate with chapter, cruder formulations.

JOINT ARMOR: Helps support optimal joint health, enhances reco and a healthy inflammation response. It also contributes to the health of connective tissues throughout your body." LIVER TAB COMPLEX: One of the most nutritious supplements

available, it contains important amino acids and key vitamins and minerals. Liver Tabs have been a staple of hardcore athletes' diets for increases. Desiccated liver helps increase red blood cell count and stimulate appetite and taking liver tablets will naturally increase nitrogen retention. Within weeks, many notice greater strength and endurance. With longer use, you may notice an increase of lean body

COGNITIVE SUPPORT: This synergistic blend of high-quality ingredients
