21ST CENTURY®

EPA and DHA are important Omega-3 fatty acids that support cardiovascular health as well as being important components of the cells in the body.* 21ST Century Fish Oil contains high quality molecularly distilled fish oil concentrate.

Directions: As a dietary supplement, adults take one (1) softgel with any meal, up to three (3) times daily or as directed by a healthcare provider. Do not exceed recommended dosage. Individual results may vary.

Warning: Consult a healthcare provider prior to use if pregnant, nursing, on medications, have a medical condition or are planning a medical procedure. Stop use and contact a physician if adverse reactions occur.

Keep out of reach of children.
Do not use if product appears to be tampered with or seal is broken. Store at room temperature.

No added Sugar, Salt, Yeast, Artificial Flavors or Colors.
