Systane® ICaps® Multivitamin Eye Vitamin & Mineral Supplement

Systane® ICaps® Multivitamin lutein-enriched multivitamins provide high levels of lutein and zeaxanthin specifically for eye health in a multivitamin formula for overall body health in one formulation with the following additional benefits:

- Combines eye and body vitamin and mineral needs in one formulation for increased convenience
- Coated, delayed-release tablets for less stomach upset and better absorption
- Free of vitamin A for those who should avoid beta-carotene
- Specific lifestyle consideration such as smoking should be considered when choosing the proper formulation
- This multivitamin contains the most potent ingredients found in the AREDS formula tested by the National Eye Institute
- Confidence in a trusted formulation
- Developed by Alcon, the global leader in eye care products

DO NOT USE IF THE SAFETY SEAL UNDER THE CAP IS BROKEN OR MISSING.

Caution: Tablet not to be broken before consumption.

KEEP OUT OF THE REACH OF CHILDREN.

Keep tightly close in a dry place at controlled room temperature.

Made in the U.S.A.
