IMPROVE WORKING MEMORY AND INCREASE FOCUS*^{••†}

The Science Behind Focus Fast®

Research driven and scientifically formulated, Focus Fast® is The World's 1st and Only Neuro Focusing Agent® designed to Improve Working Memory, Increase Focus, and Enhance Attention.*^{••†}

How does it work? The synergistic blend of ingredients inside Focus Fast® speeds up short-term memory processing through an increase in working memory neural speed and capacity. This translates into more information being reviewed, stored, and retrieved – Fast! By activating all available physiological pathways, Focus Fast® is the only product to utilize the multi-pathway approach of Neuro Focusing Technology. In fact, in a randomized, double-blind, placebo-controlled, crossover clinical study, subjects using a key ingredient in Focus Fast® Improved Working Memory reaction time by 9.9% in only 6 hours!*^{••†}

• The key ingredient in Focus Fast has been shown to improve working memory and favour attention.
† Based on 2 Servings per day.

Folate (as folic acid)	270 mcg	68%
Vitamin B ₁₂ (as cyanocobalamin)	1 mcg	17%
Pantothenic acid (as D-calcium pantothenate)	100 mg	1,000%
Chromium (as chromium diclorinate glycinate)	200 mcg	167%
Neuro Focusing Agent® Blend	1293 mg	†
Acute Attention Complex™		
Gottu kola (whole plant)		
American ginseng root extract (Cereboost™)		
Inositol		
Rosemary (leaf)		
Alpha-Lipoic acid		
Coenzyme Q10		
Acetyl L-carnitine (as Acetyl L-carnitine HCl)		
Bacopa monnieri extract (whole plant) (50% bacosides)		
Advanced Neuro Complex™		
Lemon balm (leaf)		
Alpha-GPC (L-alpha-glycylphosphorylcholine) complex (50%)		
Rupereia serrata (whole plant) (5% rupereia-A)		
Choline (as choline dihydrogen citrate and choline bitartrate)		
L-Phenylalanine		
Mucuna pruriens seed extract (20% total catecholamines)		
Soy lecithin		
DMAE (as DMAE bitartrate)		
L-Tyrosine		
Deep Memory Complex™		
Ginkgo biloba leaf 50:1 extract (24% ginkgo flavone glycosides, 6% terpene lactones)		
Ashwagandha root		
Phosphatidylserine		
Pyroglutamic acid		
Chlorella (whole plant)		
Royal jelly 3.5X concentrate		
Maximum Focus Complex™		
Panax ginseng root extract (4% ginsenosides)		
5-HTP (from Griffonia simplicifolia seed extract)		
Rhodiola rosea root extract (1% rosvains)		
St. John's wort extract (0.3% hypericin) (flowering tops)		
Green tea leaf extract, decaffeinated		
L-Threonine		

† Only values not established.

OTHER INGREDIENTS: Dicalcium phosphate, microcrystalline cellulose, stearic acid, croscarmellose sodium, magnesium stearate, silica & pharmaceutical glaze.

Contains: Soy

DIRECTIONS: As a dietary supplement, take 1 serving (2 tablets) with an 8 fl oz. glass of water approximately 30 minutes before breakfast or your first meal. Do not exceed 4 tablets in a 24-hour period. Please read the entire label before use and follow the directions.

In Addition: For maximum cognitive support, take 1 additional serving (2 tablets) with an 8 fl oz. glass of water approximately 30 minutes before lunch or mental activity, with a minimum of 4 hours apart from your first serving.

WARNING: Not to be used by individuals under the age of 18. Do not use if you are pregnant, or contemplating becoming pregnant, or nursing. Consult a medical doctor before using this product if you have been treated for, diagnosed with, or have a family history of any medical condition such as, but not limited to, high blood pressure, diabetes, cardiac conditions or taking any prescription drug or over-the-counter medication. Discontinue use two weeks prior to surgery. Use of this product may cause your skin to be extra sensitive to UV sources, such as artificial or natural sunlight. Avoid excessive exposures from these sources. Do not exceed the recommended dosage as improper use of this product will not improve results and is not advised. Use only as directed. Do not use if imprinted seal under cap is broken. Store at 59–86 °F (15–30 °C). Protect from heat, light and moisture. **IMPORTANT: KEEP OUT OF REACH OF CHILDREN.**
