

Fat Burner Plus is a next generation multi-functional weight-loss supplement. This product has been precisely formulated with an extensive blend of ingredients targeted at weight loss, in addition to a powerful blend of ingredients aimed at enhancing athletic performance and overall wellbeing.[†]

Directions: As a dietary supplement for adults only, take two (2) softgels daily, one (1) softgel before breakfast or morning exercise routine and one (1) softgel early to mid-afternoon. Do not exceed more than 3 softgels per day. Initially take no more than one (1) softgel for the first 3-5 days to determine your tolerance. For best results, use in conjunction with an appropriate diet & exercise program.

Warning: Anyone who has recently had (or plans to have) surgery, suffers from blood disorders or takes blood thinners should consult a health care professional before use. Consult a health care professional before using this product if you have any preexisting medical conditions, or are taking any medication. If any adverse reactions occur, discontinue use and consult a health care professional. Limit the use of caffeine containing medications, foods or beverages while taking this product as too much caffeine can cause nervousness, sleeplessness and occasionally rapid heartbeat.

Keep bottle tightly closed and out of reach of children
Do not use if seal under cap has been broken
Not for use by children under the age of 18
Do not use if you are pregnant or lactating
Do not exceed the recommended serving
Store in a cool, dry place
