# Move Free ULTRA®

## NEW FORMULA

**TYPE II  
COLLAGEN**  
HELPS PRESERVE JOINTS AND  
MAINTAIN CARTILAGE\*

**HYALURONIC  
ACID**  
SUPPORTS JOINT LUBRICATION\*

**BORON**  
PROMOTES BONE HEALTH\*

# TRIPLE ACTION

JOINT  
CARTILAGE  
BONE

1 TINY PILL DAILY

60 COATED TABLETS

## HOW IT WORKS:

Keep moving all day with **Move Free Ultra®** Triple Action. It promotes joint, cartilage, and bone health for more comfortable joint movement in just one tiny pill daily.\*

- ✓ Helps preserve joints and maintain cartilage\*
- ✓ Supports mobility, comfort, flexibility, and lubrication\*
- ✓ Promotes bone health, critical for healthy joints\*

**Move Free Ultra®** Triple Action works differently than Glucosamine and Chondroitin. Take just 1 tiny **Move Free Ultra®** Triple Action daily instead of 2 large Glucosamine and Chondroitin for long term joint health.\*

## WHY IT WORKS:

**Move Free Ultra®** Triple Action combines three nutrients – Type II Collagen (UCII), Hyaluronic Acid and Boron – to help promote joint, cartilage, and bone health in just one tiny pill daily.\*

**Type II Collagen (UCII)** helps preserve and maintain cartilage, using the same protein found in healthy cartilage.\*

**Hyaluronic Acid** plays an important role in maintaining the lubricating and cushioning fluid that exists naturally in your joints.\*

**Boron** helps maintain healthy vitamin D, Calcium, and Magnesium levels to support healthier bones. Because joints receive their essential nutrients through their adjoining bones, healthy bones are key for healthy joints.\*

**Directions:** For best results, take one (1) tablet daily.

### Supplement Facts

Serving Size One (1) Tablet  
Servings Per Container 60

| Amount Per Serving                                                                                   | % Daily Value |
|------------------------------------------------------------------------------------------------------|---------------|
| Cartilage Blend (cartilage and potassium chondroitin) (providing 10 mg undenatured type II collagen) | 40 mg 1       |
| Boron (as boron glycinate)                                                                           | 5 mg 1        |
| Hyaluronic Acid                                                                                      | 3.3 mg 1      |

1Daily Value not established.

Other Ingredients: cellulose, hydroxypropyl cellulose, croscarmellose sodium, silicon dioxide, coating (hydroxypropyl methylcellulose, modified corn starch, mica (color), polyethylene glycol, titanium dioxide, magnesium trisilicate, glycerin), magnesium stearate
