Keep out of reach of children. For adult use only.

Allergen Warning: Manufactured by equipment which processes products containing milk, eggs, soybeans, wheat, shellfish, fish oil, tree nuts, and peanut flavor.

Precautions: Use only as directed. Consult a healthcare professional before starting any new diet and exercise program, if you are pregnant or nursing, have a medical condition, or use prescription medications. Store in a cool, dry place. Protect from heat, light, and moisture.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS

Take one softgel three times per day with food.

THE SCIENCE OF PRIME CONDITIONING

Peak performance isn't just about building the perfect body. Your general wellbeing is crucial to gaining strength. You'll never get the impressive physique you want if you don't take care of your body inside and out. That's why the experts at Force Factor® created Omega3. Force Factor Omega3 softgels contain an omega-3 fatty acid formula created with only high quality, natural ingredients designed to keep both mind and body functioning at maximum efficiency.

Research suggests that omega-3 fatty acids are linked to a healthy heart and body. Unfortunately, it is difficult to get enough of these essential fatty acids through diet alone. This is where Force Factor Omega3 comes in, providing your body with the raw materials it needs to stay fit and active. Don't waste your time on unsafe, sketchy fish oils. Force Factor Omega3 is safe, trusted, and packed with fatty acids rich in EPA and DHA to support your body's essential biochemical processes, so you can Unleash Your Potential® every day.
