Probiotic supplement with
naturally sourced *Lactobacillus* GG

Guarantee of Purity & Potency

The *Lactobacillus* GG strain (*Lactobacillus rhamnosus* GG - ATCC 53103) was discovered in 1985 at Tufts University in Boston, MA. Considered the premier probiotic in the world, *Lactobacillus* GG has been the subject of over 1000 scientific studies.

Culturelle® is the only dietary supplement brand with 100% *Lactobacillus* GG. We certify that our products meet the highest standards of purity and potency. Unlike some products which measure the number of probiotic cultures at time of manufacture, Culturelle® guarantees the stated number of live naturally sourced *Lactobacillus* GG cultures through the expiration date on the package.***

Trust your gut to Culturelle®.

Supporting kids' immune system is important to help keep kids healthy and alleviate occasional digestive distress. Culturelle® Kids Packets support a child's health by restoring the natural balance of good bacteria in their digestive tract.*

Culturelle® Kids Packets contain *Lactobacillus* GG, the most clinically studied probiotic strain!†† It is demonstrated to survive harsh stomach acids to get where it's needed most in the intestines and is recognized as safe for regular use.* Research has shown that *Lactobacillus* GG helps alleviate occasional digestive distress while supporting a child's natural defenses.*

Suggested Use

For children 1 year and above: Empty entire contents of one (1) packet into cool food or drink. Mix until dissolved. Do not add to warm or hot food or beverage. Take one (1) packet daily to support digestive and immune health. To alleviate occasional digestive distress, take two (2) packets per day. If taking 2 packets, take one in the morning and one in the evening. If conditions persist, consult your physician. Culturelle can be taken with or without food at any time of day.

For children over 3 years: Try Culturelle Kids Probiotic Chewables as directed on package.

For children over 100 lbs: Take Culturelle Digestive Health Probiotic capsules as directed on package.

THIS PRODUCT IS INTENDED FOR USE UNDER ADULT SUPERVISION ONLY. KEEP OUT OF REACH OF CHILDREN. Not intended for children under 1 year of age. This product should not be used by those with immune problems unless directed by a physician.
