Directions: Take 1 capsule per serving. Although one pill will be strong enough for most customers, others may need more than one pill for the desired result. We ask that you first get your doctor's permission before taking more than 1 pill. If you feel the product is too strong, weak, or any other reason immediately email info@addrena.com to resolve this issue. It is common for some customers to need up to three weeks of regular use to attain the effects they want.

Warnings: We do not recommend drinking alcohol or taking sedatives with this product as it may cause drowsiness when combined. Do not use if pregnant or nursing. Consult a healthcare professional prior to consumption for any pre-existing conditions or medications.

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place.
