Culturelle® Digestive Health

When the natural balance of good bacteria in your digestive tract is disturbed, your digestive system is open to a variety of issues.

So, it is Important to Take Charge of your Digestive Health Every Day! Only Culturelle® Digestive Health contains 10 billion live active cultures of *Lactobacillus* GG, the most clinically studied probiotic strain to help your digestive system work better; plus the prebiotic Inulin. *Lactobacillus* GG works naturally with your body to help:

- Keep your digestive system in balance*
- Reduce the likelihood of occasional diarrhea, gas and bloating*
- Minimize travel-associated stomach and digestive issues*

Culturelle® Digestive. At the Core of Good Health.™

Take charge of your digestive health with Culturelle® at the core of your daily wellness routine. When making changes to your diet is not enough, adding a daily probiotic can help keep your digestive system in check.*
