

Experience The Difference: VerVita's formulas are designed to nutritionally support the body as a whole; balancing the vital energy that flows through every organ, gland, cell, and structure with materials that work synergistically to stimulate and relax, push and pull...creating a healthy rhythm and function.

Key Ingredients

Amino Acids: **L-Carnitine** assists in fat metabolism and energy production. **L-Tyrosine** converts to thyroid hormone and adrenaline which is produced by the adrenals in response to stress. **L-Arginine** is a key nutrient in promoting efficient blood flow through blood vessels that are open and relaxed.

Antioxidants: Antioxidants such as **Gamma Oryzanol** (from rice) and **Alpha Lipoic acid** remove free radicals that cause damage to cells. **Alpha Lipoic acid** is also involved in dissolving toxic substances in the liver.

Enzymes: **CoQ 10** is a co-enzyme that functions in every cell of the body to synthesize/generate energy. The heart has a high energy requirement, so there is an increased concentration of CoQ10 stored in the heart. Smoking, alcohol, stress, aging, chronic illness, beta-blockers and cholesterol -lowering drugs deplete CoQ10 stores in the body.

Glandulars: Heart and adrenal glandulars provide cellular support and nourishment for restoration.

Herbs: **Hawthorne berries** are called the “top herb for the heart” and are considered by many herbalists to be the “safest of all herbal supplements”.

Minerals: The minerals support heart rhythm and function.

Vitamins: The vitamins in ReGenerZyme Heart are beneficial in maintaining a healthy, strong heart, which in turn promotes healthy circulation, blood pressure, and ultimately the entire body working as a whole.

Primary Benefits of Key Ingredients:

- Heart and Brain Support (Brain cognition)
- Blood Nourishment and Restoration and Blood Pressure Regulation
- Artery and Vein Support
- Thyroid and Adrenal Support
- Support of Heart's Backup Systems: Ovaries/Uterus, Testicles/Prostate, Lumbar and Sacral Spine (lock-in strength and posture), Pancreas Support in Sugar Metabolism

Supplement Facts

Serving Size: 3 Tablets
Servings per container: 40

	Amount Per Serving	Daily Value
Vitamin A (as beta-carotene)	5000 IU	100%
Vitamin C (as magnesium ascorbate)	120 mg	200%
Vitamin D (as D3 cholecalciferol)	200IU	50%
Vitamin E (as d-alpha tocopheryl succinate)	200 IU	666%
Thiamin (Vitamin B1)	3 mg	200%
Riboflavin (Vitamin B2)	3 mg	176%
Niacin	20 mg	100%
Vitamin B6	15 mg	750%
Folic Acid	400 mcg	100%
Vitamin B12 (as cyanocobalamin)	50 mcg	833%
Biotin	300 mcg	100%
Pantothenic acid	10 mg	100%
Magnesium (as magnesium gluconate)	120 mg	30%
Zinc (as zinc gluconate)	5 mg	33%
Selenium (as selenium chelate)	50 mcg	71%
Copper	1 mg	50%
Manganese (as manganese citrate)	2 mg	100%
Chromium (as chromium aspartate)	50 mcg	42%
Potassium (as potassium chloride)	10 mg	<1%
Coenzyme Q10	10 mg	*
Heart Gland	200 mg	*
Adrenal	10 mg	*
L-Carnitine	50 mg	*
Alpha-lipoic acid	50 mg	*
Hawthorn Berries	50 mg	*
L-Tyrosine	50 mg	*
L-Arginine	50 mg	*
Gamma Oryzanol (from rice)	25 mg	*
Tocotrienols (from palm fruit)	30mcg	*
Melatonin	10 mcg	*
Inositol	10 mcg	*
*Daily Value not established.		

Other Ingredients: Dicalcium phosphate, magnesium stearate, croscarmellose, pharmaceutical glaze coating.
