Serving Size 2 Delayed Release Vegetarian Capsules

Servings Per Container 60

|                                          | Amount Per Serving | % Daily Value |
|------------------------------------------|--------------------|---------------|
| Vitamin B6 (as pyridoxine hydrochloride) | 5 mg               | 294%          |
| Magnesium (as magnesium citrate)         | 45 mg              | 11%           |
| Citric Acid                              | 350 mg             | †             |
| Phytin (Inositol Hexakisphosphate)       | 200 mg             | †             |
| Banana Stem (Musa Paradisiaca)           | 200 mg             | †             |

† Daily Value not established.

**Other Ingredients:** Cellulose, Magnesium Stearate, Silicone Dioxide, Gellan Gum and Titanium Dioxide.

**Directions:** Take two (2) capsules twice daily (am and pm) preferably with meals. For best results, it is recommended to consume at least six 8-ounce glasses of water daily with lemon juice, decrease caffeine intake, eliminate colas, decrease oxalate-rich foods such as spinach, strawberries, nuts, and tea, decrease sodium, sugar, and red meat consumption and increase fiber intake.

**Caution:** If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
