

Since 1972

Circulatory System Support*
GUARANTEED PURE

Krill Oil is a highly bioavailable source of Omega 3 essential fatty acid, extracted from Antarctic Krill (*Euphausia superba*) that contains phospholipids, a major component of all cell membranes. Krill Oil is a natural source of astaxanthin, a powerful antioxidant. Vitamin K₂ is added to support cardiovascular and bone health. Krill Oil may support cardiovascular health, brain function, and joint and skin health, and may support already normal range cholesterol levels.*

RECOMMENDATION

Take one capsule with a meal one to two times daily.
