Ultra Triple Strength Omega 1560 EPA & DHA is GNC's highest potency fish oil. One enteric coated softgel capsule features a total of 1,000 mg of omega-3 fatty acids – 719 mg of EPA and 281 mg of DHA.

*Consumption of omega-3 fatty acids may reduce the risk of coronary heart disease. FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.
