

Emergen-C

PROBIOTICS PLUS

DAILY IMMUNE HEALTH*

Probiotics help keep your gut in check. And a healthy, happy gut is important for immune support and nutrient digestion.

There are all kinds of probiotics out there – and the effective quantities vary by the strains being used. More is not always better. In this case, 1 billion each of *L. Rhamnosus* GG and BB-12™ probiotic strains are just the right amount to provide digestive and immune health benefits.*

Each packet is guaranteed to deliver 1 billion live active cultures and a boost of 250 mg of Vitamin C through the expiration date.

Emergen-C

PROBIOTICS PLUS

NATURALLY, IT'S GOOD FOR YOUR CORE

Emergen-C Probiotics+ is the delicious way to fortify your immune system at its core by adding good bacteria into your gut microbiome. That's important because immune health starts in the gut – home to 70% of your immune system! But, things like diet, stress, and travel can quickly throw off the balance of your microbiome.*

This naturally flavored fizzy drink mix has *L. Rhamnosus* GG, the most scientifically studied probiotic strain, and BB-12™ bacteria to help support your microbiome health and your body's natural defenses.*

All that plus a boost of the antioxidant powers of Vitamin C to support your immune health every day. Your body will be doubly grateful.*

BB-12™ is a trademark of Chr. Hansen (A/S)
