

NATURE'S LAB MAGNESIUM SOOTHE

SUPPORTS DISTRIBUTION AND UTILIZATION OF CALCIUM[†]

1. Formulated to avoid excess dietary calcium depleting the body's vital magnesium supply and to avoid symptoms associated with low magnesium and high calcium levels.[†]
2. This premium formulation includes nutritional cofactors to facilitate the assimilation, distribution, and utilization of calcium.[†]
3. Magnesium Soothe is ideal for those with active lifestyles. Magnesium may aid in preventing muscle cramping and the reduction of lactic acid build up.[†]

- Great Taste (Refreshing Raspberry-Lemon Flavor)
- 350 mg of Magnesium
- 50 mg of L-Theanine
- No Artificial Colors
- No Artificial Flavors
- Non GMO

Warning: Pregnant or lactating women and people with known medical conditions and / or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements.

Item # 1033072

8 18014 01577 0

Rev. 002

Suggested Use: Take 1-1.5 rounded teaspoons twice per day at any time, at least 5 hours apart.

Individual needs may vary. Start with 1 rounded teaspoon daily and gradually increase to 1.5 rounded teaspoons twice daily. When bowels are comfortably loose, this is an optimum amount. Some people may need to start with a half teaspoon only and gradually work up to higher amounts.

Directions: Place powder in an 8oz glass and add 2-3 oz of hot water. Let it fizz, then stir until dissolved. Fill with warm or cold water and enjoy. You can also simply add Magnesium Soothe to glass or bottle of cold water.
